

## CAUTION

Listed below are the existing limitations in the use of the module more than once in the same web page.

Limits exist if the modules used in the same page are working with different library, one with COLORBOX and other with LIGHTBOX.

If all the modules used on the same page are working with the same library (all with COLORBOX or all with LIGHTBOX) LIMITS DO NOT EXIST.

With the same library you can insert how many modules you want.

Limitations Table.

2 Modules on the same page, one with Colorbox and one with Lightbox :

- in the module where is used COLORBOX the parameter MIXEDLIBRARY must be set to YES.

3 Modules on the same page, are possible the following sequences :

Order					
1	COLORBOX (Y)	COLORBOX (N)	LIGHTBOX(N)	LIGHTBOX(N)	LIGHTBOX(N)
2	LIGHTBOX(N)	LIGHTBOX(N)	COLORBOX (N)	COLORBOX (Y)	LIGHTBOX(N)
3	LIGHTBOX(N)	COLORBOX (Y)	COLORBOX (N)	LIGHTBOX(N)	COLORBOX (Y)

the value in parentheses is the one set in the module for the 'Mixedlibrary'

The following sequence DO NOT WORK

Order	
1	COLORBOX
2	COLORBOX
3	LIGHTBOX

Limitations for COLORBOX

When used more than one COLORBOX it is mandatory that the **Colorbox Template type** parameter (Gallery Options Tab) has the same value in all modules with Colorbox
